

TALK OF THE TURF. About an Even Thing Between Guttentberg Bookies and Talent Yesterday.

CINGHES NO LONGER EXIST. St. Denis's Easy Win Was a Surprise, Even to His New Owner, Bradley.

Things were about even-up after the last race had been run yesterday. The talent had got the money in three races and second choices won two races.

The talent was in great good humor after the first race was over. They played Florette, and Frank Leich won the money with a very good showing.

Those who bet on Allan Bane in the third race did so with an air which plainly said to the bookmakers...

The third race was devoid of incident. Catelyn, a brother to the great Hanover, took the lead soon after the start.

St. Denis ran in his new colors yesterday. Bradley purchased him a few days ago and immediately he was...

While exercising Stenandosh yesterday young Bondar met with a peculiar accident. Having another horse behind him...

Harvey Jones missed his ankle while practicing a few days ago. This accounts for his not being seen in the saddle yesterday.

McDermott's foot was scraped against the rail at the head of the stretch when he attempted to come through with Goster in the last race.

John Troy was a visitor at the New York track yesterday. He was seen when he was asked to ride by his boy.

George Harris bid Sir Catesby up to \$2,500 yesterday.

The Saxton Anti-Pool-Room bill was referred to a third reading by the Senate yesterday.

Frederick Cornell has given Foxhall Keene second call on his services for this season.

HARRIS'S CASE AT ALBANY. Razed Over in a Hearing on Corcoran's New Appeal Bill.

ALBANY, March 26.—The Senate Judiciary Committee today took up Senate Corcoran's bill to amend the law relating to the hearing of appeals from the Court of Sessions.

STOCKS GO UP AGAIN TO-DAY. Advances Extend from 1/4 to 3/4 Per Cent. Through the List.

Money Touches 20, and Closes at 15 Per Cent.—Wall Street Affairs. WALL STREET, Thursday, March 26.—There was a much better feeling in stock circles to-day.

The market advanced 1/2 to 2 per cent. in the early trading. With Lackawanna, Whiskey, Sugar, the granulators, Missouri Pacific and Northern Pacific preferred the special bull market.

When money tightened up prices ran off 1/4 to 1 per cent. but the buying was so persistent that a rally quickly ensued. The feeling was more bullish than it has been for some time.

The advance for the day was equal to 1/2 per cent. Operators ignored the erratic changes in the rates for money which first rose from 19 per cent. to 20 per cent. and then advanced to 20 and closed at 15 per cent.

Stierling exchange was firm. The offerings of bills were light and the demand also limited. Nothing is heard of changes in the rates for money.

The annual meeting of the Distillers & Cattle Raisers' Association will be held on April 12 and the annual book close on Saturday. It is said that Vice-presidents of the association are Charles C. Cunningham and French, representing Eastern interests, will retire from the office on April 12.

The total sales on the New York Stock Exchange to-day were 28,800 shares of listed stocks. In the unlisted department 42,300 shares of sugar and 1,300 of lead were traded in.
